Shoe Series Overview

Comfort Series:

These lightweight and comfortable athletic shoes have a look that transition easily from walking to casual comfort. Ideal for casual walking, working out or just lounging around the house. Every step you take will be in comfort with an I-Runner Comfort shoe.

Trail / Walking Series:

When your daily walks take you to more off-road locations, these are great shoes to wear. A perfect choice for the diabetic foot; with its extra padding, wide toe box and arch support. Ideal for casual walking, hiking or just scenic walks in the park.

Non-Slip “Pro” Series:

These diabetic shoes provide an extraordinary level of oil and skid resistance for safety in the workplace and at home. With their additional padding, including padding of the heel and tongue, and featuring feature a slip-resistant outsole, you can work in comfort

Velcro Series:

Our Velcro series offers the speed of slip on and go shoe. No more worrying about tripping over a loose shoelace or having to stop and tighten your shoes. These are the ultimate in comfort coupled with the easiest of convenience in these lightweight and breathable shoes.
